

9 July 2021

Classmates,

I am posting this message on our new website, in hopes that this is the best way for me to communicate with you in the future. I want to sincerely thank our new webmaster, Therese Long, for the long hours of work and genuine expertise she has shown in updating this web site and making it useful for even Marines! Thank you, Therese.

And, to the message:

Several months ago, I asked for your help in identifying 5 to 8 of our Classmates to be recognized as “legacy” student-athletes from our Class. Each Class, covering over eight decades, will have a display recognizing their student-athletes in the new Terwilliger Center for Student-Athletes in Ricketts Hall across from Halsey Field House.

I received 26 nominations from Classmates, all of whom would have been great representatives of our Class. I asked a panel of 5 team captains from our Class to review and rank the nominations. This was not an easy job, because we did have so many worthy nominations. By the deadline established by NAAA, I submitted 10 names from our Class. NAAA has agreed to include all 10 in our Class display. I am also working on an additional nomination package and will submit that nomination when I can complete the package.

The 10 nominations submitted are:

Jimmy Lewis – Lacrosse and Soccer  
Wayne Hicks – Wrestling  
Myron Hura – Soccer  
Bob Wittenberg – Football  
Owen McFadden – Lacrosse  
Tim Beard – Swimming  
Don Eshleman – Baseball  
Dennis Doyle – Heavyweight Crew  
Chris Reddington – Basketball  
Steve Abbot – Squash

Thank you all for your recommendations and congratulations to the nominees chosen. I will follow the work and post pictures after our Class display is completed. NAAA hopes to dedicate the Center this Fall.

Warm regards and Semper Fidelis,

Carl Fulford
